

## **The procedures and timelines that apply to requests for information under the Freedom of Information Law, (2007)**

For an outline of the procedures and timelines that apply to requests for information, follow this link to the Freedom of Information Unit's web site [www.foi.gov.ky](http://www.foi.gov.ky) where you will find this information and answers clarifying the following:

- What information you can ask for
- How to find out where to submit your request in order to get specific information
- The basic rules on provision of documents
- Which documents are exempt and why they are exempt
